

February 2022

Dear Friend,

A Falmouth graduate wrote to us saying: "Thank you for giving me a chance. The scholarship I received was more than just money; it was confirmation that I had a future where I could succeed. I don't have much now, but please accept this donation to help others this year".

We need your donation, too, especially with the financial challenges that have been created by the Coronavirus pandemic.

For over 97 years, Falmouth Scholarship Association (FSA) has awarded scholarships to graduating seniors to assist in financing their higher education.

Your gift to FSA helps recognize the hard work of these students and will be one of the best investments you will ever make.

Last June, FSA awarded 88 scholarships totaling \$196,575. Unfortunately, we were unable to give to all of those students who applied. Only with the generous support of donors in our community can we make a difference to these deserving students.

As we all know, the cost of college is extremely expensive. With your help, the youth of Falmouth will have less of a financial burden while they pursue their dreams.

These scholarships will be given at Awards Night for the 2022 graduating class in June. I hope you will help us award even more scholarships this year by making a gift to the Falmouth Scholarship Association today.

Should you have any questions about a gift or naming Falmouth Scholarship Association in your estate plan, please email me at: [fsa@falmouthscholarships.org](mailto:fsa@falmouthscholarships.org).

Thank you in advance for your thoughtfulness and generosity.

Very truly yours,

Ronald Garcia

President
